Coverage Period: 07/01/2020-06/30/2021 Coverage for: Individual & Family | Plan Type: PPO

The <u>Summary of Benefits and Coverage</u> (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>azblue.com/member</u> or call 1-928-526-7211 or 1-855-845-1875. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>healthcare.gov/sbc-glossary</u> or by calling 1-928-526-7211 or 1-855-845-1875 to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	In-network providers: \$1,000/member and \$2,000/family  Out-of-network providers: \$2,000/member and \$4,000/family  Deductible is based on calendar year and starts over each January 1st.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> . Unless a <u>copay</u> , fee, or other percent is shown, the <u>coinsurance</u> percent of the <u>allowed amount</u> that you pay for most services is 20% <u>in-network</u> and 40% <u>out-of-network</u> .
Are there services covered before you meet your deductible?	Yes. <u>In-network primary care</u> and <u>specialist</u> visits; certain <u>in-network preventive</u> services; prescription drugs; <u>emergency medical transportation</u> ; <u>in-network urgent care</u> visits; <u>in-network</u> ; hospice services	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	Separate limits for in-network medical services and in-network pharmacy.  In-network medical: \$4,750/member and \$9,500/family  In-network pharmacy: \$2,350/member and \$4,700/family  Out-of-network medical: \$7,500/member and \$15,000/family  Out-of-network pharmacy: \$0/member and \$0/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.

Important Questions	Answers	Why this Matters:
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, out-of-network precertification charges, balance-bills, and costs for health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u> <u>limit</u> .
Will you pay less if you use an <u>in-network</u> <u>provider</u> ?	Yes. See www.azblue.com or call 1-928-526-7211 or 1-855-845-1875 for a list of in-network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
