A Coconino County Accommodation School District school is operated through the county board of supervisors and the county school superintendent of schools. The school provides educational services to homeless or alternative education programs.

### **Coconino County Accommodation School District provides educational services in Flagstaff to three different location and one location in Page:**

- Ponderosa High School and Tse' Yaato' High School are alternative education high school's providing an opportunity to complete their high school education in a non-traditional setting and become successful citizens of their community
- Coconino County Juvenile Detention Center that provides educational opportunities for incarcerated youth and students who are on probation. Our goal is to help students continue to earn credit and to successfully return to their home schools. There are three full time teachers and two other school staff at this location
- Coconino County Jail where we have one teacher who provides educational services to those students who have been incarcerated in jail under the age of 18. Course curriculum is based on student needs

### **Position Requirements:**

The Coconino County Accommodation School District School seeks a collaborative leader who will build on the successes of the past and provide educational support as required on all Special Education students.

- Current Arizona Special Education Certificate
